RE: Poly Met Mining, Inc.'s Section 401 Water Quality Certification for the NorthMet Project

Dear Mr. Moore,

The Minnesota Pollution Control Agency (MPCA) has received Poly Met Mining, Inc.'s letter requesting to withdraw its water quality certification request made on August 2, 2016, and renewing the request effective July 21, 2017.

The MPCA accepts the re-application which establishes a July 20, 2018, deadline for MPCA's certification decision under Section 401(a)(1) of the federal Clean Water Act.

Please contact me at 218-302-6612 with any questions.

Sincerely,
